UNITED METHODIST CHURCH

Our in-person service will stream live on Facebook, and you can also find a recording of the live service on our website hapevilleumc.com.

Welcome

Welcome to Hapeville United Methodist Church!

As we return to in-person worship, we'd like to graciously remind you of the following safety precautions:

- Please wear your mask covering your mouth and nose. If you don't have one, we will provide one.
- If you don't live with someone, please keep at least 6ft of social distance between you at all times.
- Hand sanitizer is available! Please use it.
- Congregational singing is strongly discouraged, even outdoors.

Following these precautions will help us to continue to be able to meet together safely. Thanks for doing your part to keep yourself and others safe and healthy!

**Genesis 9:8-17
Common English Bible**

⁸God said to Noah and to his sons with him, ⁹“I am now setting up my covenant with you, with your descendants, ¹⁰and with every living being with you—with the birds, with the large animals, and with all the animals of the earth, leaving the ark with you. ¹¹I will set up my covenant with you so that never again will all life be cut off by floodwaters. There will never again be a flood to destroy the earth.”

¹²God said, “This is the symbol of the covenant that I am drawing up between me and you and every living thing with you, on behalf of every future generation. ¹³I have placed my bow in the clouds; it will be the symbol of the covenant between me and the earth. ¹⁴When I bring clouds over the earth and the bow appears in the clouds, ¹⁵I will remember the covenant between me and you and every living being among all the creatures. Floodwaters will never again destroy all creatures. ¹⁶The bow will be in the clouds, and upon seeing it I will remember the enduring covenant between God and every living being of all the earth’s creatures.” ¹⁷God said to Noah, “This is the symbol of the covenant that I have set up between me and all creatures on earth.”

After seeing the worst numbers in Fulton County we have ever had, we are now at over double (closer to triple) the level of infection that the North Georgia Conference of The United Methodist Church strongly recommends as the threshold for meeting indoors. Our nearby hospitals have become full of patients as Georgia has the 4th most hospitalizations in the nation. Having been urged by our Annual Conference leadership to heed this data and not meet in person, **this week’s worship will be online**
